SEVEN ORIGINAL WORKS ON PAPER · 2026

Printed images meet imagined presences. Yasmine Samir Borro reworks illustrated pages through colour, drawn contours and layered forms. Faces, sculptural figures and unexpected encounters enter a shared visual world.

ABOUT THE ARTIST

Yasmine Samir Borro is a Belgian contemporary artist raised in Ivory Coast and based in Brussels. Following fashion studies in Brussels and Paris, she developed a self-taught practice rooted in a lifelong relationship with painting.

Her family’s longstanding engagement with African art, including the Mina and Samir Borro collection, provides a cultural context for an independent practice shaped by childhood memories, recurring faces and imagined companions.
